Father,  
I have knowledge, so will You show me now,  
How to use it wisely and find a way somehow  
    To make the world I live  
    in a little better place,  
And make life with its problems  
    a little bit easier to face.

Grant me faith and courage  
and put purpose in my days,  
And show me how to serve Thee  
    in effective ways.

So my education, my knowledge and my skill  
    May find their true fulfillment  
    as I learn to do Thy will.

And may I ever be aware in everything I do,  
    That knowledge comes from learning,  
    and wisdom comes from You.

Amen
