

NOTIFICATION – FACTS SIGN UP

All school families must be entered into the FACTS payment system for the 2021-22 school year, whether you have already paid your tuition or are setting up a payment plan. This is a fairly easy and quick process. Please visit the parish website (www.staugie.net) and click on the school’s page. On the left menu, there is an item called “Tuition Options”. This takes you to the FACTS link. PLEASE do this as soon as possible. This will make billing, reporting, and payments much easier in the future. We also ask established families to log in and confirm and/or update any information for the new school year.

If you have any questions, you can call the parish office at 419-592-7656.
