## Padre' Jerry's Notes: What is perseverance?

Perseverance is vital to growing in your faith, and God wants his people to persevere no matter what happens, so we have to learn how to overcome obstacles, difficulties, trials, and tribulation to experience victory in Christ. As a matter of fact even to obtain any victory. In life we have two choices when faced with hardship - trust in God and keep our vision on Him or... quit and abandon any hope (that may be a major mistake). Today we hear how Abraham fears he's driving the Lord to exhaustion with his pleas on behalf of possible innocents of the people, but in so doing he discovers just how in-exhaustible God's mercy truly is. Abraham was credited as a righteous man. In fact he became our father in faith. God is mercy!

God's infinite love and amazing grace toward you and I are reason enough to persevere in the faith. In this world, we will be faced with troubles and this is part and parcel of life since nobody has a completely smooth life. The bible itself refers to a lot of tribulations and trials that come with this life. Jesus Christ was sent by God here on earth but guess what, even he also went through some difficult moments in life. Even though we constantly struggle in perseverance, we are assured of hope that is, we are able to "hang in there baby - like a cat hanging from a thread" because of the graces that we are freely given throughout life. Perseverance, therefore, is referred to as having hope... hope even though one will still experience difficulty with either no or little success. It denotes the action that one keeps experiencing victory regardless of the actual outcome. With all perseverance there lies the hope of success. In sports, in school, on the job, in relationships it's all about perseverance in what lies ahead for us. To continue to persevere is through prayer, faith and hope in God, seeking advice from the right source, serving others, and forgiving even when persecuted. Jesus reminds us... **Trust in Me!**

- Padre' Jerry

*Thought of the Week... When I have failed to be generous with what I have been given or been inhospitable to those I meet? What would lead me to be more generous and hospitable?*
