BULLETIN DEADLINE - Tuesday noon

God's plan for Life... God's Call for us to respond...

The celebration of National Awareness Week falls this week as we also get to vote on saving the Sanctity of Life. Protecting life is a good reminder for us as we continue to pray for an increase in vocations to the ordained ministry and consecrated life in the Diocese of Toledo. Jesus said: "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest". Ask God to give us guidance in our voting action. Asking is a very important aspect of wanting. What an amazing grace it was to be called to be one of the original Twelve Apostles. Of course, these men had no clear idea of what God would do with their lives or the influence they would have on all of humanity until the end of the world.

By who we are is an important aspect of what Jesus wants of us. The calling and response of each Apostle was different. Some were compelled to abandon all immediately when called by Christ. Others responded to the call a bit more slowly, first seeking some knowledge of Christ, then a willingness to follow Jesus at least for a time, and ultimately a willingness to abandon all for their newfound Savior. As you ponder the call of the Apostles, you are invited to insert your own life into the Gospel call. How has Jesus called you? God has a plan for all Life; that is why life is so precious. To what level have you responded? In what other ways is our Lord calling you to radically follow Him?

We offer prayers this week that God will call many from our local community to labor with Jesus in serving the Church as sisters, brothers, and priests; even as lay faithful. What an act of God's love. Any young man in the Diocese of Toledo who is considering a call to the diocesan priesthood can contact me or Father Philip Smith for guidance and support. Father Smith is the Director of the Office for Diocesan Priestly Vocations and can be reached at: psmith@toledodiocese.org or 419-244-6711 ext. 4945. The Office for Diocesan Priestly Vocations offers many events throughout the year to help men learn more about the priesthood. Many resources are also available on the website of the Office for Diocesan Priestly Vocations: https://toledopriesthood.org - Fr. Jerry

A Prayer For Vocations: Almighty God, make me an instrument to encourage others to give of themselves and challenge me to do the same. Inspire men and women to respond generously to your call to service and leadership in your church as priests, consecrated religious and deacons. Amen.

Pulpit Announcement and Bulletin Insert for the Weekend of November 4/5

Dear Brothers and Sisters in the Lord,

On Tuesday, Ohioans will vote on Issue 1. At this late hour, I come with a final word of encouragement and support that we might be able to say we've done everything possible to protect women, to protect parental rights, and to protect Ohio babies. With your help, we can defeat Issue 1. We must all go to the polls and motivate our family, friends and neighbors to do so as well. I urge you to exercise your civic duty to vote, and I urge you to fulfill your moral duty to vote NO on Issue 1. To be Catholic is to be Pro-Life, from conception to natural death. The amendment on which we are being asked to vote is nothing short of evil.

In the end, the most powerful weapon we have against evil is prayer, and the most powerful prayer we have is Holy Mass! Please join me on Monday, November 6, at 12:05 pm in St. Francis de Sales Church in downtown Toledo, as I offer Mass that hearts and minds may be converted and that Issue 1 might be defeated. I would be so grateful if a group from each parish could attend, and if you cannot attend in person, please join us in spirit and in prayer at that time.

May the Lord of life keep us faithful and constant in safeguarding the dignity of every human life.

Yours in Christ Jesus,

Most Reverend Daniel E. Thomas

+ Taniel Fleomos

Bishop of Toledo

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,*** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

The Right to Reproductive Freedom with Protections for Health and Safety

- Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, miscarriage care, and abortion.
- 2. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.
- 3. However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.
- 4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis"; and "State" includes any governmental entity and political subdivision.
- 5. This Section is self-executing.
- Ohio Revised Code, Sections 2317.56 & 3702.303
- ** Based on Doe v. Bolton

FROM THE SCHOOL

The Henry County Prosecuting Attorney, Mrs. Gwen Howe-Gebers, once again sponsored the Safety Kids Calendar Contest to encourage all students in grades 5-8 to confront topics affecting our youth today. Congratulations to the winners from St. Augustine Catholic School: Alejandro Aranjo (7), Emily Flowers (7), and Delaney Black (5)!! The awards ceremony will be held this Saturday, November 4thon the 3rd floor of the courthouse, in the courtroom. Their artwork will be published in a calendar distributed by the prosecuting attorney's office as well.

Our Junior High students welcomed the Culture Project last week. "The Culture Project is an initiative of young people, set out to restore culture through the experience of virtue. We proclaim the dignity of the human person and the richness of living sexual integrity, inviting our culture to become fully alive." We are looking forward to their monthly visits and conversations.

We concluded our month of Praying the Rosary as a school family. It was absolutely beautiful and everyone participated each week! Thank you Ms. Davis and Mrs. Miller for leading us.

Blessings to your family, Ginny Minnick, Principal
