MINNICK'S MINUTE

Congratulations to our second graders receiving their First Holy Communion on Sunay. May you always know the peace of Jesus, the light of his love, and the joy of his life within you!

Our Preschool, Kindergarten, and 1st and 2nd grade classes visited Imagination Station this week and had an amazing time! We were just in time to visit the Above and Beyond exhibit before it closes next week. This immersive experience gave us a closer look at the advances that transformed aviation and aerospace – from the first powered flights to the latest inventions on Earth and in space. We enjoyed exploring and playing together, all while learning!

SCHOOL LIBRARY

The last day for students to visit and check out a book at our school library was Wednesday, May 1st. All library books must be returned by May 8th. We thank Mrs. Lisa Lautar and Mrs. Emily Collins for volunteering their time each week to offer this service to our students! If a book is not returned or lost, a \$10 per book fee will be assessed to your school account.

2023-24 ACCOUNT REVIEW

We have recently reviewed all families' tuition and fee accounts. If you have a balance, we included this statement in your blue folder last week. We would appreciate it if you would review it and contact us if you have any questions or concerns. **We ask that all accounts have a zero balance by close of business on June 30, 2024.**

CAFETERIA CHARGING

Beginning next week, we will no longer allow students to charge on their lunch account; they must have a credit on their account in order to purchase lunch. This will allow us to close out the cafeteria account at the end of the school year. Please have your account up-to-date by then.

2024-25 REGISTRATION

Please help us in our enrollment process by re-registering your child in OptionC. On your home page, choose "Registration" from the "Office" drop down menu.
