"Saints in the Making" ★★★★★ "Living and Sharing our Faith"

The Feast of Corpus Christi, also known as the Solemnity of the Most Holy Body and Blood of Christ, is a celebration of the real presence of Jesus Christ in the Eucharist. The visions of St. Juliana of Liège, a thirteenth-century Norbertine religious inspired the feast. With the support of theologians and other Church leaders, particularly Archdeacon Jacques Pantaléon—the future Pope Urban IV—Corpus Christi was first celebrated in the Diocese of Liège in 1246. The Miracle of Bolsena occurred in 1263, when a German priest known as Peter of Prague was struggling with doubts about the Real Presence. He prayed fervently against these doubts, and, right after he pronounced the words of consecration during Mass, he noticed that blood began to seep from the host. Peter brought the blood stained corporal (a small linen cloth used on the altar during Mass) to Pope Urban IV, who resided in nearby Orvieto at the time. In 1264, just a year after the Miracle of Bolsena, Pope Urban IV instituted Corpus Christi as a universal feast in the Church. Because of this miracle, many pilgrims and tourists continue to visit the Basilica of St. Christina in Bolsena, where this Eucharistic miracle took place. They also visit the Cathedral of Orvieto, in which the miraculous, blood-stained corporal is reserved. *SHAMELESS PLUG ALERT!* A visit to Orvieto is on the itinerary for my Pilgrimage to Italy, November 2 - 13, 2026, through Catholic Faith Journeys (<https://catholicfaithjourneys.com/tours/italycirata>).

God's Blessings to you!
