MINNICK'S

We are excited to begin our upcoming Academic Fair, a highlight of our school year that celebrates student learning, creativity, and critical thinking. This event is a comprehensive learning experience designed to develop key skills our students will use throughout their educational experiences and beyond. Fifth grade will focus on Art, sixth grade on History, seventh grade on Science, and eighth grade on Religion. Students will be graded on the creation of a Slideshow, Presentation Board, Oral Presentation, and a Project or Experiment related to their chosen research topic. This activity will culminate in classroom presentations and public judging during Catholic Schools Week. We believe these experiences prepare students for future academic challenges while fostering creativity, independence, and a genuine love for learning.

SAINTS CROSS COUNTRY RESULTS

The Saints Cross Country team participated at the Fulton County Fairgrounds this past Saturday, 9/26. Approximately 600 runners from around the Diocese competed in the K-8 boys and girls divisions.

The Saints compete next at a meet hosted by St. Aloysius on October 3 at Leader's Farms in Napoleon. Come out and support the Cross Country Team and CYO Athletics. Details are listed on our Facebook page.

NO SHORTS

Just a reminder to all students that shorts are no longer allowed to be worn to school until May. Thanks for your cooperation in monitoring this.

MINUTE

ACADEMIC FAIR

Each year, grades 5 - 8 create and present an Academic Fair project in different areas of study, depending on their grade level. This takes several months of preparation. We previously sent home the packet with the schedule, contract, and rubric. We request that parents review this with their child and return the signed contract as soon as possible. The \$4.50 fee for your child's board has been added to your Digital Academy account.

HALLOWEEN SHIRTS

Mrs. Minnick has agreed to allow students to wear school-appropriate Halloween-themed shirts with their uniform pants through the month of October. Please refrain from wearing these on all Mass days.

VETERANS' DAY

We are planning a special week to commemorate Veterans' Day in November. We would like to create a slideshow with the relatives of all students and staff. So, send in your images! You can email them to cathy.majewski@augustinenapoleon.com, or bring the printed copy to the school office by Friday, October 30th. Please include the individual's name, rank, and branch of the military. Help us make this a meaningful week to show our appreciation to all our Veterans. We saved the ones we received last year, so if you sent one then, we will include it again this year.

TOLEDO WALLEYE GAME

On Wednesday, December 2nd, students in Wednesday Preschool through 8th grade will travel by Napoleon bus to Toledo to enjoy a Toledo Walleye hockey game on a School Education Day. We would appreciate parent chaperones attending.

Details about the field trip were sent home last week. Please send in your form and money by **Monday, October 19**, if you haven't already. If you'd like to chaperone, be sure you are compliant with the Diocese of Toledo. This process requires renewal every 5 years, so if you completed this recently, you are compliant for a few more years. We appreciate our parents and love when you can experience these opportunities with your child and their classmates!
