MINNICK'S MINUTE
Today, we celebrated All Saints' Day during our School Mass with a very special tradition! Our third and fourth graders dressed as the saints they chose to research and shared what they learned about these inspiring men and women of faith. All Saints' Day honors those who have attained sainthood and now share in the joy of Heaven. The lives of the saints serve as powerful examples of what it means to live Christian lives rooted in faith, love, courage, and service. Each saint reminds us that God's love shines through us in unique and beautiful ways when we strive to live as Jesus taught us. This annual research project gives our students a wonderful opportunity to reflect on how they can grow in holiness each day through their words, actions, and love for others. At St. Augustine, we are reminded that we are all Saints in the Making!
